Newsletter:29

13/5/2010

I'm deeply sad to announce that this newsletter is the last one, before we say "Goodbye". Next week is the last week of school. However, before we leave I would like to mention a few things that will happen next week. KG2 Classes will be having the Assessments Tests as follows:

- **Sunday 16/5 – English and Math**
- **Monday 17/5- Arabic**

We already sent you the Revision Sheets so please supervise your child while reviewing the material.

All he/she needs is your support and encouragement. Please do not get stressed out as it is not A FAIL/PASS exam. So please remember- your positive attitude plays a vital role in your child's good performance. I'm sure that your child is fully prepared to enter a new stage in his/her life - emotionally, academically, socially and intellectually.

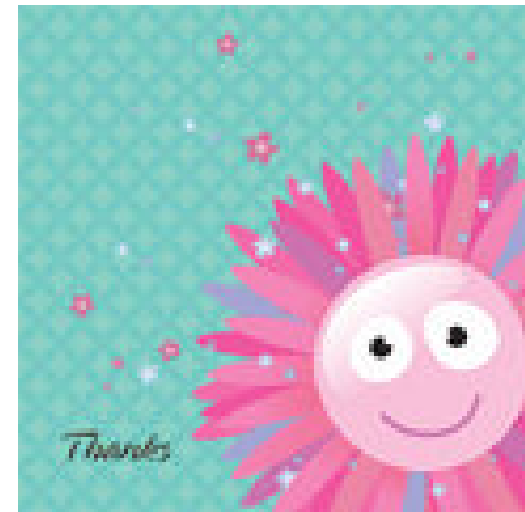

This is thanks to my dedicated to work and caring staff so I would like to take this opportunity to thank them all by name:

Thank you Parents

This year would not be that fruitful if there were no great Parents as you, dear Royal Academy Parents. You really inspired me with your positive attitude, understanding and enthusiasm for all we've been doing.

Every year you entrust me your child. As a parent myself I know how hard it is to send your child behind a strange door. With our work we surely proved that the trust you gave us simply paid off. Your child has grown bigger, stronger and more mature in a caring and healthy atmosphere that we create.

"Goodbye" is not an easy word...

It's hard to say "Goodbye", so I hope to see you twice next week:

- **Wednesday 19/ 5 – Birthday Party** for the kids born in May, June & July. But of course everybody is welcome! ☺

Wednesday 19/5 is also our **Last Day Of School.**

"Rainbow Day" Dress your child in his/her favourite color (out of uniform day)

- **Thursday 20/5** – Last Parents Meeting – from 11 am to 1 pm. This is the last chance to talk to your child's teacher, get your child's all belongings, his/her report card and say "Goodbye". During the Parents Meeting you will also have a chance to buy your child's crafts and CDs. There are two CDs for sale:

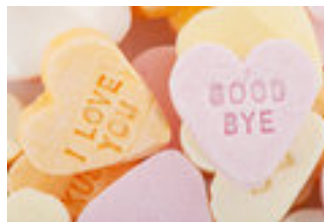

"International Day"
