

# Kindergarten Newsletter

Newsletter: 10

16/12/2009

## Important

Kindly be informed that according to the Ministry instructions the school will be closed till Saturday, 2<sup>nd</sup> January 2010. The Kindergarteners will be back on Sunday, 3<sup>rd</sup> January 2010. However the teaching staff is working on a regular basis. So please feel free to contact us any time.

What really matters to me is that, despite the circumstances, our students are provided with the proper education and stay connected to school. So please check our website frequently as the details will be given mostly here.

I suggest that you establish a set time (30 minutes for KG1 Students and 1 hour for KG2 Students **daily**) to practice what we have already learned.
