Hope you are healthy and having a great holiday. Hope you didn't forget all about school and you miss us a bit as we miss you loads!!! 😊 School without you is not a nice place at all and we are looking forward to seeing you soooooon !!! 😊

Important

I also hope that you are studying every day. Today I'm sending you more worksheets. Please study them well because I'm planning to prepare some simple tests for you when you get back to school in February.

More details about English, Math and Arabic tests will be given in the upcoming newsletter. For the time being please check the worksheets on our website and get to work! 😊

Printed worksheets are also available at school so please do not hesitate to come here to pick them up.

Best regards, Mrs. Agnes El Sahli
