

# Kindergarten Newsletter

Newsletter: 17

11/2/ 2010

There's a very special day coming soon and I hope you remembered that.  
It's a Valentine's Day!

Prepare a Valentine card - decorate it best you can (you may attach candies or precut hearts) , let an adult help you to write a Valentine message and give it to someone you love- your Mom and Dad, your sister or brother, your grandparents.

More ideas you can also find here:
