International Day

TOP TOP URGENT

I would like to remind you that the deadline for purchasing the costumes is **next Thursday 1/4**. Please send the money as soon as possible in order to arrange it with the company that designed them specially for your child. It will be very difficult to get them after the deadline.

Family Projects

- Pp

Make pizza on your own. Let your Mom or Dad help you a bit ☺

Ingredients Required

- 1 cup of warm water
- 3 1/2 cups of all-purpose flour
- 2 tablespoons of olive oil
- 2 teaspoons of honey
- 1 teaspoon of salt
- 1 teaspoon of yeast

Step by Step Procedure

1. Put warm water into a bowl. Add salt and honey and mix with a spoon. Add yeast, mix and let it sit for about 10 minutes.

2. Gradually add flour and olive oil and start mixing.

3. When the mixture gets too heavy to mix, start kneading the dough with your hands.

4. Knead the dough until you have a smooth ball. If the dough cracks it is too dry. Add water bit by bit until it forms a nice coherent ball. If your dough feels more like batter, it is too wet and you need to add flour bit by bit. If you need to add water or flour, do it by small amounts.

5. Coat the dough with olive oil, place it in a large bowl and cover it with kitchen wrap or a grocery bag. Let the dough rise for about an hour at room temperature, then push it down again so it deflates. Let it sit for about another hour.

6. Put the dough on a lightly floured surface, put a bit of flour on top and make it into the shape of a pie by stretching it out from the center outwards. Use a rolling pin until the dough is about 1/4" thick. Punch some holes in the dough with a fork to let the air escape while the pizza is in the oven

7. Put on your [pizza sauce](#) of choice (ex. tomato)
Put on your [favorite pizza toppings](#) (cheese, mushrooms, olives, tomatoes, sausages etc.)

8. Bake the pizza in your oven at 400 - 450° F for about 20 to 25 minutes until the crust is light brown.

Now take a photo of your pizza and bring it to school. You might also draw your pizza or simply make the activity sheet attached and bring it to school!

Thanks 😊

Red Day

"Dream Park" Trip

Our school trip to the "Dream Park" was a hit!
The weather was great, the atmosphere friendly, the parents, the kids and the staff – happy. We really enjoyed it a lot!
Looking forward to the next trip! ☺

Best regards,
Mrs. Agnes Nowicka El Sahli
