## International Day

Dear Parents,

Thank you very much for such a great response. I'm so impressed. I've got no words to express how I feel receiving the posters, access slips to the food booth or simply your kind words. In your calls and notes you express your feeling of happiness of being a part of this event. I am happy too and I'm proud to have you here.

I would like to mention that the teachers have been working very hard and I hope all their efforts will be displayed in your children's presentation. All the teachers and children are so so excited. Honestly I can't wait for this day to come. Waiting for you all!!!

## Important

Next **Thursday 29/4** - the day before the party **there will be no school** for the Kindergarten children. All the staff will be extremely busy with the last preparations for the event. On Monday you will receive another letter with all the details concerning the day of the party ( Friday, 30th )

**No school on Sunday, 25<sup>th</sup> 2010** – Sinai Day

## Family Projects

Today I'm not sending you any projects because I'm sure you are still busy with the posters for the party. We receive them every day and they are amazing!
