

Great week behind, great week ahead!

- First, I would like to thank all the parents who attended last week's Parents Meeting. We got lots of kind and warm words of appreciation. On the behalf of my teaching staff and myself I would like to thank you for that. ☺

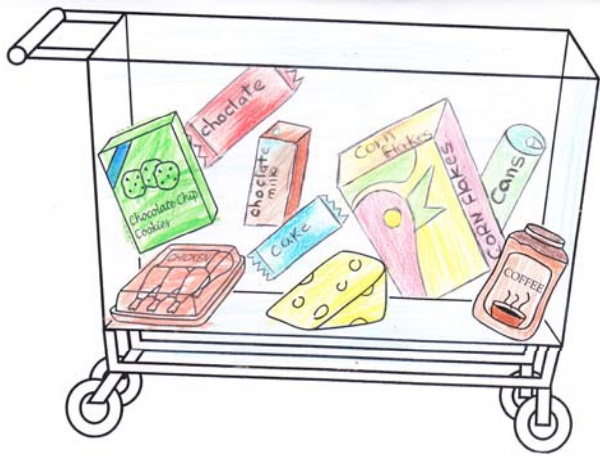

However, there are some children whose parents did not show up and I need to see them in order to discuss the matters of their child's achievements. I will be sending them the letters with a scheduled individual meeting.

- Yesterday we went on a trip to the "Artoon" Art and Crafts Center. We played, baked bread, planted seeds, made crafts (bags and pillows) and had lots of fun!

## Family Project

Last week's Family Project was a blast! It seemed to me that you did not only visit the grocery store in your neighborhood but the whole shopping mall! ☺ Again our Royal Academy parents proved to be very cooperative and engaged in the school activities. Thank you, Parents! ☺
